### Red Hot Local Option Election in Maysville Results in Defeat of the "Drys."

#### WETS CARRY FIVE OF SIX WARDS.

The Bells Rang, the Men, Women and Children Marched, Prayed and Sang While the Ballooning Went Against Them.

Yesterday Maysville passed through the most strenuous and exciting election ever waged in the history of the city.

The contest between the wets and the drys was stubbornly fought from start to finish, and the former won out by a majority of 348 votes, the wets carrying five of the six Wards.

The event brought to the city the largest crowd that has been seen here in years. Scores of interested spectators from outside points were here to lend their presence for or against local option as the case might be.

The ringing of the Church bells at 5 o'clock a. m. was the signal to arms, and shortly thereafter the various Churches were filled with devout souls praying for the salvation of men and the success of their cause.

The inclement weather in nowise dampened the ardor and enthusiasm of the women and children who were marshaled for the fray, and though the rain was descending at the time, the column was formed, and headed by the Augusta Band the parade started over the streets, marching from one polling place to another, carrying flags and banners bearing appropriate mottoes.

The Fourth Ward seemed to be the storm center, and here earnest women sang familiar hymns and offered silent prayers for the success of their cause.

At the noon hour fully two-thirds of the vote had been polled, both sides working hard to get out their full strength, and long before the hour of closing the entire vote had been cast.

Coffee and sandwiches were served to all who applied from convenient booths and tents, which had been erected for the purpose.

While enthusiasm ran high nothing occurred to mar the day, not a disturbance of any kind being noted, and not an arrest was reported.

The vote was a fairly full one. Of a registration of 1,860, 1,506 votes were cast. There were very few challenges, and those who had a right were privileged to cast their ballot.

Those voting in favor of the sale of vinous, spirituous and malt liquors in the city of Maysville voted Yes and those opposed voted No. The vote by Wards follows—

	Wets.	Drys.
First Ward.....	155	45
Second Ward.....	155	84
Third Ward.....	131	84
Fourth Ward.....	212	61
Fifth Ward.....	152	137
Sixth Ward.....	122	168
Totals.....	927	579
	579	
Majority.....	348

Good ma'nin! Have you had yo' ma'nins ma'nin' this ma'nin'?

Too bad! We will not only have booze this summer, but we'll have peek-a-boos.

THE local option election in Maysville yesterday was merely a "growing pain." Now just watch the Limestone City boom!

Do you believe in procrastination or progressiveness? If you believe in the latter, get busy and push every enterprise in Maysville along and let's give the old town the boost that is coming to her.

THERE is some sort of a hitch in the argument of those who say that high prices are endangering the existing prosperity. High prices have never been regarded as a danger signal by observing men. It is when they begin to tumble that the red flag flies.

THE Indiana railroad managers have agreed not to discontinue the Sunday excursions in retaliation for the 2-cent-fare law. How kind and considerate of the railways. Have these corporations developed a soul since Mr. Roosevelt threw the hooks into them?

THE American Association of Dining Car Superintendents has appointed a lobbyist to represent it at Washington, fearing that the enforcement of the pure food laws may prove fatal to the dining-car business. This is a practical admission that the Government should regulate dining cars.

UNCLE JOHN COGWELL—I never feel just right when I owe for my paper. I think every item in the paper has something to say about delinquents, and that they are gotten up specially for my benefit. So you can just mark me up to 1908, and I can rest easy.—*Orleans, Ind., Progress.*

THE Supreme Court of Ohio has overruled a motion filed by JOHN M. MARKLEY, the defeated Democratic candidate in the Brown-Clermont Common Pleas District, restraining his opponent, Hon. G. BAMBACH, of Ripley, from occupying the bench. The decision is regarded as equivalent to ending the case and Judge BAMBACH wins out again.

LADY HENRY SOMERSET, the greatest of English reform women, a few days ago announced in an address at her Bridgewater House, that she has retired from work as an active woman's reformer, but will remain in close touch with the movement and aid it in every way. Lady SOMERSET is one of the most brilliant of her sex and the human race would be uplifted if there were many like her.

THE PUBLIC LEDGER is for TAFT for President and for A. E. WILLSON for Governor, but it does not believe in forcing Mr. WILLSON to express a preference for TAFT or for any other Presidential candidate. The Governorship in no way concerns the question of a choice for President, and our Governorial standard-bearer should not be hampered or handicapped by any such unnecessary conditions or promises. The business now before the Republicans of Kentucky is to nominate and elect Mr. WILLSON to the Governorship, and, incidentally, elect a Legislature that will vote for Hon. W. O. BRADLEY, or some other eminent Republican, to succeed JAMES B. MCCREARY in the United States Senate. The outlook is bright and encouraging and everything indicates a winning campaign for the G. O. P.

## BAD BREATH

"For months I had great trouble with my stomach and used all kinds of medicines. My tongue has been actually as green as grass, my breath having a bad odor. Two weeks ago a friend recommended Cascarets and after using them I can willingly and cheerfully say that they have entirely cured me, I therefore let you know that I shall recommend them to any one suffering from such troubles." ## All Kinds of Money

Mason county people made all kinds of money last summer. They never were so prosperous as they are today.

If your goods and prices are right they will spend money with you. You can reach them through THE DAILY LEDGER. Try it.

The funeral of Mr. Robert T. Marshall, whose death at his home near Mt. Carmel was noted yesterday, will take place from the house tomorrow morning at 10 o'clock, the interment following in the Mt. Carmel Cemetery.

Miss Florence Pearce Wadsworth, who has been in New York City for several months taking a musical course and cultivating her voice, will arrive home next week to spend the summer vacation with her parents, Hon. and Mrs. W. H. Wadsworth. Next September Miss Wadsworth will leave for Berlin, Germany, where she will place herself under the tutelage of Madame Lili Lehmann, the famous prima donna, and perfect her already exquisitely beautiful voice for the operatic stage. The high compliments paid her in New York by eminent musicians leads her scores of Maysville friends to believe that in a few years Miss Wadsworth will wear the laurels of a prima donna.

## Will the County Unit Law be Tested in Mason?

[Continued from First Page.]

and attempt to close the Maysville saloons, as per their interpretation of the "county unit law," recently upheld by the Court of Appeals, notwithstanding that the Court's decision was very clear on the point at issue, viz:

Is the Fourth Class city independent under the law, and exempt from the operation of the County Unit Law?

Undoubtedly, it is.

The Court is emphatic, clear and explicit on this point and declares that an election can *always and at all times* be held separately from the county in cities of the first, second, third and fourth classes, and the results declared in said cities separately and distinctly from the vote of the county as a unit, provided that the required number of citizens of such cities properly request that the election in such cities be held separately from the county, i. e.:

Maysville may vote again *when the county votes* and have the city's vote separately counted and if the wets have a majority, the city remains wet, regardless of how the county may vote as a unit.

The readers of this paper will be pleased to  
learn that there is at least one dreaded disease that  
science has been able to cure in all its stages, and  
that is Catarrh. Hall's Catarrh Cure is the only  
positive cure now known to the medical fraternity.  
Catarrh being a constitutional disease, requires a  
constitutional treatment. Hall's Catarrh Cure is  
taken internally, acting directly upon the blood  
and mucous surfaces of the system, thereby de-  
stroying the foundation of the disease, and giving  
the patient strength by building up the constitu-  
tion and assisting nature in doing its work. The  
proprietors have so much faith in its curative  
powers that they offer One Hundred Dollars for  
any case that it fails to cure. Send for list of tes-  
timonials.

## GIRLHOOD TO WOMANHOOD Lydia E. Pinkham's Vegetable Compound

ELLEN M. OLSON

CLARA E. DARMSTADTER

The responsibility for a daughter's  
future largely rests with the mother.  
The right influence and the infor-  
mation which is of vital interest to  
the daughter imparted at the proper  
time has not only saved the life but  
insured the success of many a beau-  
tiful girl.

When a girl's thoughts become  
sluggish, with headache, dizziness or  
a disposition to sleep, pains in back  
or lower limbs, eyes dim, desire for  
solitude; when she is a mystery to  
herself and friends, her mother  
should come to her aid, and remem-  
ber that Lydia E. Pinkham's Vege-  
table Compound, made from native  
roots and herbs, will at this time  
prepare the system for the coming  
change, and start this trying period  
in a young girl's life without pain  
or irregularities. It has been thus  
depended upon for two generations.

Hundreds of letters from young  
girls and their mothers, expressing  
gratitude for what Lydia E. Pink-  
ham's Vegetable Compound has done  
for them, are constantly being re-  
ceived.

Miss Ellen M. Olson, of 417 N. East  
St., Kewanee, Ill., writes:

Dear Mrs. Pinkham:

"I have had the best doctors in our town  
for my sickness and they all thought that  
an operation was necessary. I had headache,  
No other remedy has such a record of actual cures of female  
ills. Thousands of women residing in every part of the United  
States bear willing testimony to the wonderful virtue of Lydia  
E. Pinkham's Vegetable Compound and what it has done for them.  
Lydia E. Pinkham's Vegetable Compound; a Woman's Remedy for Woman's Ills.

sideache, and my feet were so sore I could  
hardly stand. I took two bottles of Lydia E.  
Pinkham's Vegetable Compound when my  
periods were established and now I am  
perfectly well. Mama says she won't be  
without your medicine in the house. I have  
told one girl what Lydia E. Pinkham's  
Vegetable Compound has done for me  
and she is taking it now."

Miss Clara E. Darmstadter, of 453  
Breckenridge St., Buffalo, N.Y., writes:  
Dear Mrs. Pinkham:

"For about a year, except during the past  
few months, I suffered with severe pains  
every month, with backaches and headaches.  
I had the blues so bad that I was in despair.  
It is a pleasure to tell you that Lydia E.  
Pinkham's Vegetable Compound has cured  
me. The change in my appearance is won-  
derful and I desire that this good may come  
to every sufferer. Any one desiring to know  
further details may write to me and I shall  
be glad to give them."

If you know of any young girl who  
is sick and needs motherly advice,  
ask her to address Mrs. Pinkham, at  
Lynn, Mass., and tell her every detail  
of her symptoms, and to keep nothing  
back. She will receive advice abso-  
lutely free, from a source that has no  
rival in the experience of woman's  
ills, and it will, if followed, put her  
on the right road to a strong, healthy  
and happy womanhood.

Lydia E. Pinkham's Vegetable  
Compound made from native roots  
and herbs cures where others fail.

**THE TRUANT QUESTION**

**A Word From A Layman Upon The Question.**

THE PUBLIC LEDGER is right in its advocacy of a truant officer. The law is both mandatory and just. The members of the present Board of Education favor the election of a truant officer and have signified their intention of electing one at the time provided for in the statute.

The figures in yesterday's issue of THE LEDGER, while correctly quoted, were misleading. The daily average attendance for the past month was 474. This does not include the attendance for the colored schools which was given in a separate report, neither does it include the attendance in the parochial school, and the private schools. As a matter of fact there are not to exceed fifty pupils in the city between the ages of 7 and 14 years—the age the law contemplates—who have not been enrolled in some school this year. Perhaps this estimate is too large, yet if there are only a dozen delinquents it should be made imperative that they receive, at least, the rudiments of a public school education.

With new, sanitary, more commodious buildings in sight, there will be ample room for all.

Three plant beds, aggregating six hundred square yards, belonging to L. Horn, a well-known farmer of South Christian, were scraped by unknown persons and totally destroyed Monday night.

**WOMEN'S WOES.**

**Maysville Women are Finding Relief at Last.**

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people you know.

Mrs. J. B. Gibson of 22 East Fourth street, Maysville, Ky., says:

"The prompt and thorough action of Doan's Kidney Pills should recommend them to everyone suffering from backache or kidney troubles. I have known the value of this remedy for several years. Its use in my case proved to me that it is a reliable kidney cure and cannot be excelled for backache or weakness of the kidneys. I have recommended Doan's Kidney Pills before and I should advise every sufferer to get a supply and try them."

For sale by all dealers. Price 50 cents a box, Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
